

TOW AND RECOVERY AUTHORIZATION AND DAMAGE WAIVER

Upon signing this document, I am freely admitting that I have the legal right to authorize Million Air Lake Charles to recover and tow my aircraft. I also agree and understand that circumstances outside of Million Air Lake Charles's control, with regard to the inoperability of my aircraft, make recovery and removal of my aircraft unusually difficult and places it at risk for damage.

I agree to unconditionally release, waive and discharge my right, whether by contract or under operation of law, to recovery that I may have pursuant to law against Million Air Lake Charles, its officers, employees, and agents. I further hold harmless Million Air Lake Charles, its officers, employees, and agents for any and all damage that may occur while Million Air Lake Charles recovers and tows my aircraft and while it is in their care, custody, and control.

I hereby assume any and all risk of loss, liability, damage or costs, and understand that any and all damages that may occur will be as a result of the inoperability of my aircraft and not as a result of any negligence on the part of Million Air Lake Charles.

I fully understand the terms set forth in this form, and I hereby waive my rights freely and voluntarily without inducement, assurance, or guarantee being made to me to the fullest extent allowed by law.
